

The Fifth Asian Conference on Machine Learning

November 26-28, 2014
Nha Trang, Viet Nam

ACML 2014

The 6th Asian Conference on Machine Learning (ACML2014) will be held on 5-7 December 2014, at Nha Trang City, Vietnam. The conference aims at providing a leading international forum for researchers in machine learning and related fields to share their new ideas and achievements. To support this, best paper and best student paper awards will be given. The conference program consists of tutorials, workshops, and invited keynote talks by distinguished researchers as well as research paper presentation sessions.
